### Grayling Box Company

The Grayling Box Company, have rapidly forged themselves to the front, as dealers in their line. The boxes and crates that are manufactured by them, have gained a reputation, per-excellent, throughout the country. They have a modern plant, and carry a large stock of Lumber and Building Materials. The dealings of this company, have been marked with the utmost fairness and have done much to make this city what it is today. Mr. T. P. Peterson, who is the manager, understands his business thoroughly. His knowledge and experience enables him to buy, so that he can give his customers the very best the market affords, at prices in line with the quality of the materials carried. Mr. Peterson is a citizen, who at all times encourages all civic movements that tend to the progress of this community. How long has this company been established? How long has Mr. Peterson, been manager? What roofing does he recommend?

### Chris W. Olsen's Central Drug Store

There is one place of business in Grayling, that appears to be an information bureau, and that is Chris W. Olsen's Central Drug Store. This is a place of friendliness and service, where they not only have a reliable prescription department, but a full stock of the things you expect to get in a good Drug Store. Elizabeth Arden, Toilet Goods and many other good brands are on display. Walter Hagen Golf Clubs, Kodak Films, Victor Records and Records are also found here. The soda fountain business of this store, has grown so that they have put in extra storage to assure their patrons plenty of cream, at all times. Mr. Chris Olsen, the proprietor, is the present Mayor of Grayling. He believes in the town and also believes if the citizens will work together, it will grow bigger and better. What is the outstanding feature of Victor Radio? How many 5 gallon cans of Ice Cream has this store room for? What American made candy took first place at Paris?

### Grayling Greenhouses

One of the most cheerful home decorations is flowers. In Grayling one can satisfy their longing for them by patronizing the Grayling Greenhouses. Here one finds only the choicest blooms, fresh every day, with the assurance that they will remain so. Here also are potted plants, sturdy, well rooted and guaranteed to live and bear a profusion of flowers. There is no gift more pleasing and acceptable to every one than a bouquet of flowers. Ernest Borchers and Fred Neiderer, proprietors of the Grayling Greenhouses, understand their business and know how to arrange a bouquet attractively as well as create the more formal wreaths and set pieces. Mr. Borchers and Mr. Neiderer are energetic business men, who are known for the service they give and their loyalty as citizens of Grayling. How long have these gentlemen been business partners? How many feet of glass in this Greenhouse? What is phone number?

### Kerry & Hanson FLOORING CO.

A beautiful, durable floor in any home or building, not alone adds beauty to it, but also gives it that finishing touch, that increases its value. Kerry & Hanson Flooring Company, are responsible for giving many people a perfect UNDERSTANDING, when the question of floors are concerned. This firm is one of the most substantial concerns in this part of the country and stands as a symbol of success, due mainly to their honorable business methods, superior floor materials, expert workmanship and moderate prices. Mr. Fred J. Welch, is the present manager for this company. The personnel of this company, gives their support to any movement, that is for the betterment of this community. How many people do they employ at present? What three kinds of flooring woods do they manufacture? How many thousand feet of 25-32 x 24, First Grade Hard Maple Flooring did they furnish the new Hudson Building in Detroit?

### Grayling Dairy

All foods that have a milk basis are recognized as body builders. Purity of the milk and cream however, is a feature on which rests this value. The Grayling DAIRY is a home concern that supplies home people. Mr. Axel Peterson, who is the proprietor, realizes this and he uses utmost care in the butter and Ice Cream, that he places on the market. The health of the community means more than any profit he could make by careless preparations. Mr. Peterson is a staple citizen and this is reflected in his merchandise. He is a community builder, who believes in the future possibilities of Grayling, and does his share in all civic improvements. His business is a recognized leader, in this section, due to his honorable business methods and progressiveness. How long has Mr. Peterson lived in Grayling? How long has he had this DAIRY? What is the phone number?

### Olaf Sorenson & Son

This store is one where you will find quite a variety of merchandise. It is especially popular with the Sportsmen of this section, as they know the needs of those who enjoy sports of all kinds and carry quite a large stock of this merchandise. Here also is where the smoker who wants a real cigar, will find it. The cigars that are sold here, are fresh, for stale tobacco is not sold across their counters. This store also has a soda fountain and four booths for ladies and their escorts where one can get a refreshing drink or a deliciously prepared ice cream combination. This is one of the most popular places of business in Grayling. Mr. Herluf Sorenson, who manages it, treats all of his patrons in a friendly manner, whether they spend five cents or five dollars. He is a booster for Grayling at all times. How long has this store been established? What hours is it open? What candy is featured here?

### Alfred Hanson Garage

A garage that is an outstanding one in this section is that of Alfred Hanson's. It is here that the Chevrolet, Oakland and Pontiac Cars are sold and it is also here that real service is given. Mr. Hanson has made a success in this business because he has applied modern business methods and old fashioned honesty in dealing with the public. When he sells you a car his own guarantee goes with it and this means more to the people of this section than the manufacturer's name. In the repair department mechanics that know their business are employed. The tires that they sell are the very best and they carry a large stock of accessories. Alfred Hanson is active in both commercial and civic matters and at all times, has the interest of this community at heart. How long has he been in this business? What tire does he recommend? What batteries are sold here?

### NORTHERN SALVAGE COMPANY

There is an art in constructing buildings and there is also an art in the destruction of them. If the owner is to realize money from the wreckage, The Northern Salvage Company, have mastered the science of causing successful wrecks. They have made it possible for the buyer of used building materials, machinery, metal, etc., to save money and at the same time cause the owner to realize active money on inactive properties. Mr. Harry Helper and Mr. Harold Jarmin, the proprietors of this firm, can be pointed to as men, who have built their business on honest dealings, by using CONSTRUCTIVE, DESTRUCTIVE methods. BELIEVE IT OR NOT, Both of these gentlemen are loyal citizens of Grayling and do their share in BUILDING IT UP or TEARING IT DOWN. How long have Mr. Helper and Mr. Jarmin been business partners? How many do they employ at present? How long has this firm been established?

### Grayling Machine Shop

In this modern age, when a person is in need of Machine Work they go to some one who specializes in this line of work, for they have learned through experience that it pays to patronize the man, that is most capable. Mr. Frank H. Ahman of this city, does all kinds of machine work. He also does Acetylene Welding. Mr. Ahman is an expert in this line, which has in recent years become so necessary. Satisfied customers who return to him year after year for their wants in this line are his strongest advertisers and FRIENDS. Their confidence and friendship has been won through his principles of honesty and square dealing. His progressive spirit is making him a leader in this section. Mr. Ahman is the kind of citizen, who believes in boosting his home community. How long has he been in this business? How long in his present location? What is the phone number?

### Pure Food Grocery

A good housewife insists on good food for her family and the women of Grayling know that at the Pure Food Store they get nothing but the best. This store is home owned and operated and every cent spent in it goes to building up a local enterprise. Mr. Nick Schjotz is a neighbor to his customers. In days of stress he is not a stranger but one of them. He has taken care to stock only the best grades of everything and does not buy inferior quality goods in order to appear he is underselling his competitor, yet he is able to meet prices and offer the best goods at lowest cost. This takes keen merchandising but Mr. Schjotz studies the markets and grasps every opportunity to save his customers money. The women know this and it is responsible for this store's growing business. How long has Mr. Schjotz had this grocery? How long has he lived in Grayling? What coffee featured?

### Grayling Bakery

The Grayling Bakery stands as a representative of HOME OWNED CONCERNS, which are the staple business foundations of practically every village, town and city in the country today. The housewives of this section, know that the bread, pies, cakes and pastry they buy from this bakery, are made of the highest quality materials and could not be surpassed in wholesomeness and taste. Bread is the mainstay of the meal and it is here that the Grayling Bakery excels. Their bread has that home-made flavor that is the aim of every baker and assures satisfaction to the consumer. Mr. A. R. Craig is a citizen of Grayling and the type of man who is a community builder. He is a neighbor to his customers and treats them in a neighborly manner and at all times appreciates the patronage given him. How long has Mr. Craig owned this bakery? How long did he supply bread for the Ford Plant in Detroit? How many loaves of bread, can be baked in Grayling Bakery daily?

### Geo. L. Alexander & Son INSURANCE

Misfortune plays no favorites. It presents itself in many guises, among which Fire, predominates. In times of plenty, many do not think of protecting themselves against adversities and when the fatal hour arrives, it is then they realize their neglect. The purchasing of Fire Insurance should be taken as a super-cautious transaction, because after one has lost their life savings, in this manner, it is TOO LATE. The most essential factor in men of this community, who believe in purchasing dependable insurance, is to deal with reliable representatives. Mr. Geo. L. Alexander and his Son, Fred Alexander, can be relied upon to solve your insurance problems and always have the interest of their clients at heart. They are at all times, allied with the other business men of this community, who believe in civic progress. How long has Mr. Geo. L. Alexander been in this business? How long has Fred Alexander? What is their phone number?

### Grayling Hardware

Hardware that stands hard wear is the kind that is featured in the Grayling Hardware Store. Selling goods that bear the trademarks of quality, at prices as low as any store can, with attention to good business judgment, this store has forged its way to the very front rank in commercial circles in this section. It carries as large and complete a stock as will be found in any modern and up-to-date Hardware Store. Mr. and Mrs. Frank A. Barnett, the proprietors, give excellent service to their patrons, which makes them feel their patronage is appreciated. No matter whether the article you purchase is large or small, the same courteous treatment is bestowed on one and all. Mr. and Mrs. Barnett, are stable citizens of Grayling, who are wide awake for the interests of this community. How long have they been in business in Grayling? How long in present location? What paints do they feature?

### Mr. and Mrs. B. A. Cooley

Mr. and Mrs. B. A. Cooley, for years have been among the most progressive business people of this community. They have served the people here, in a manner that has brought to them the continued patronage of their customers. At the present time Mrs. Cooley has the Gift Shop, on Main Street, where she carries Ladies Ready To Wear and Baby Goods. Mr. Cooley is managing The Economy Store, which carries a large stock of Dry Goods. Both Mr. and Mrs. Cooley keep their stock fresh, and up-to-date and offer it at prices in line with those of the larger trading centers and always remember that they are dealing with home folks. They believe in using modern business methods, with old fashioned honesty in their business dealings. Mr. and Mrs. Cooley have helped to build up this community and are loyal citizens of Grayling. How long have they lived in Grayling? How long have they been in business here? Where is the Economy Store located?

### Bank of Grayling

Banks are the great financial arteries through which the financial blood of the nation flows. The Bank of Grayling is performing its duties toward the commercial world in a manner that is rapidly adding to its growth and usefulness. Mr. Marius Hanson, who is the owner of this progressive banking house, is a man who has sound financial ideas. He believes in Grayling and is working for its growth. This Bank is as liberal in its loans as sound business judgment will warrant. Deposits placed here are safeguarded with sound conservative ability. It is large enough to give the financial assistance that any local business wants, yet small enough to give personal attention to its patrons. This Bank is a home institution for home people, operated with home capital. How long established? How long has Mr. Marius Hanson been a resident of Grayling? Who is the Assistant Cashier of this Bank?

### Shoppenagons Inn

It is from the Hotels that the traveling public gathers its opinions of the different sections of the country. If the Hotels are good they leave saying that city is a nice one to which they want to return and the reverse is also true. In Grayling, the Shoppenagons Inn, is doing its share in giving a good reputation to the community. Mr. Thomas Cassidy knows the Hotel business and knows how to make his guests feel at home. In the Dining room of this Hotel, the guests are served deliciously prepared food, given prompt service and are assured a variety. Mr. Cassidy is the type of man that any city would be pleased to have represent them to the discerning stranger. He gives his guests their money's worth and his pleasant word and friendly greeting makes them glad they have stopped with him. How long has Mr. Cassidy been in the Hotel business? How long has he had this Hotel? How many rooms has it?

### Sorenson Bros.

Sorenson Brothers Furniture Store is a landmark in Grayling. Through the years it has grown with the town and during those years a reputation for square dealing has grown with it. They handle anything in the furniture line and when you buy here you get nothing but standard goods that will stand the test of time and wear. This store also has an undertaking service, that is modern in every detail. They are completely equipped for this line of work. Both Mr. James W. Sorenson and George Sorenson, understand their business. They are well known for their courteous manners and gentle sympathy, when their services are required. Both of these gentlemen are energetic business men as well as loyal citizens of Grayling. They believe in boosting their home community. How long has this store been established? How long have Sorenson Bros. owned it? What mattress is featured here?

### Corwin Auto Sales Garage

The name of Corwin, ranks at the very top in the commercial life of Grayling. Mr. Nelson O. Corwin, who manages the affairs of the Corwin Auto Sales Garage, is well prepared to give his customers the very best in automobile service. He sells the Hudson and Essex Cars and when you buy from him you will find that every car he sells is just exactly as he represents it. This garage has made for themselves a reputation for good workmanship and for honesty in business dealings. They are fair in their charges and whether you purchase a car, tire or only a quart of oil here, you can be assured you will get one hundred per cent in value for your money. Mr. Corwin is a believer in civic progress and is always ready to give his share in any movement for same. How long has Mr. Corwin been in business, in Grayling? What tires does his garage sell? What batteries?

### Carl W. Peterson

Grayling folks are fortunate that they can go to the jewelry store of Carl W. Peterson for their needs in this line. They have learned that he will not offer them any article that will not stand the test of time and wear. The average citizen knows so little of the real value of a diamond or a piece of silverware, that it means everything when you make a purchase in this line, to go to a man whose word is recognized and who can be trusted. Mr. Peterson's Jewelry Store and Gift Shop, is modern in every detail and he offers his customers all of the newest novelties and the little things that women love for personal adornment and style. Mr. Peterson takes an interest in the civic affairs of Grayling and does his share in anything, for its progress. How long has he been in this business, in Grayling? What ladies wrist watch does he recommend? What men's watches?

### Hans Petersen Grocery

Home folks of Grayling know the value of patronizing a home owned store. They realize that they are mostly responsible for the upbuilding of this city. The Grocery Store of Hans Petersen, is home operated and he sells his patrons as one neighbor to another. He carries nothing but the finest of groceries and vegetables in stock at all times and has built up his business by fair dealing and by rendering excellent service. Mr. Petersen believes in this community and its people. He has for several years held an official position in this city. At the present time, he is Justice of Peace and is filling this office, with honor to himself. Mr. Petersen is a loyal citizen of Grayling and has never undertaken any public movement, that has not proven successful. How long has Mr. Petersen been in the grocery business? How long has he lived in Grayling? What City position did he formerly hold?

### Deckrow Plumbing & Heating Co.

The plumbing in your home either adds or detracts from its comfort. Regardless of how attractive it may be, unless the man who does the plumbing is a skilled artisan in his line and is conscientious and dependable, sooner or later the home owner is destined for trouble and worry. Frank R. Deckrow stands at the forefront as one of the most up-to-date plumbers in this section. He is equipped to handle any kind of a job in the plumbing line and he has the skill and knowledge that gives satisfaction. He has made a host of friends and patrons in this community by his capable manner of handling his business. He believes in doing first class work, using durable materials and charging fair prices. Mr. Deckrow is a booster for Grayling and willingly helps in any cause for its progress. How long has he been in the plumbing business? How long in Grayling? What plumbing fixtures does he recommend?

### Grayling Mercantile Company

The Grayling Mercantile Store is one of the largest merchandise stores in this section. The management has made it so by close attention to business, by a knowledge of the wants of the people, by keen business sense and by selling at moderate prices. When you buy here you get standard goods that will stand the wear and tear of service. Mr. A. J. Joseph, the manager of this progressive local store, knows the mercantile business and long ago realized that honesty with the public and good value for the money spent where the principles upon which success is built. Mr. Joseph is a progressive business man, who not alone believes in progressiveness for the Grayling Mercantile Store, but also believes in it, for this city. How long has this Company been in the mercantile business? How long in business, in Grayling? What ladies hosiery do they feature?

### Burke Garage

The representative of the Ford organization in any community must be a wide-awake business man. In Grayling a better selection could not have been made than George Burke. When you buy a car here you have not only the manufacturer's name behind it but you also have the name of Mr. Burke which is a guarantee for service in itself. He is well known for his progressiveness and his interest in the civic advancement of Grayling, and does his share in any movement that is for the betterment of the whole. His garage specializes in repair work and carries a large assortment of parts and accessories. He is financially sound and able to live up to the contracts he makes. This dealer has done much to give the natural popularity of the car he sells, a boost in this section. What is price of Ford Coupe? How long has Mr. Burke been Ford dealer here? What tire does he recommend?

### Mac & Gidley Drugs

When the Rexall Drug Company selects an agency to handle their products they select the best that can be found and in Grayling they selected the Mac & Gidley Drug Store, to represent them. This is a certain recommendation and home folks can be assured that they are safe, when they bring their drug needs to this store. Drugs that are fresh and of the highest quality are stocked. This means that when the doctor gives you a prescription the chemists at this Drug Store can follow directions and compound the right medicine. This store also carries a full line of toilet goods, stationery and kodaks. Their stock includes everything that will be found in a first class Drug Store. Mr. C. J. McNamara, who is the capable manager, is a booster for Grayling and willingly helps in all things, for its progress. How long has he been manager, here? On what corner is this store? When was the new fountain installed?

### Grayling Laundry

The lady who lives next door always is neat and has time to attend the movies, to chum with her children, to give her neighbors a pleasant word and has a smile for her husband when he comes home. The reason is the Grayling Laundry. They take from her the main household drudgery and when they return her laundry it is really neat and clean. This laundry has the very best in modern machinery and is equipped to do their work so that those who patronize them get real service. When they tell you your clothes will be returned at a certain time they have them there. Mr. Holger F. Peterson the proprietor of this Laundry gives personal attention to his customers. If things are not right he makes them so. Satisfaction, cleanliness and reasonable prices are the foundation he has built his business upon. How many does this Laundry employ? What is phone number? Do they give one day service?

### Hanson Hardware Company

The Hanson Hardware Store is one which has done much to help make Grayling a trading center. They carry nothing but standard goods, they give everyone a fair deal and their prices are as low as good business will permit. The Hardware they sell is the kind that stands real service. At this store there is never an effort to take advantage of a customer. You can depend upon what they tell you concerning their merchandise. Mr. Harold McNeven, the manager, is building the business of this firm upon a firm foundation. Goods bought here must be right or he will make them so. Mr. McNeven is a high type of citizen and business man, who has made himself felt in the commercial circles of this city. He will always be found working for the betterment of Grayling. How long has Mr. McNeven been manager of this store? What paint is featured here. What motor boat?

Continued From First Page

## Nelson's Service Station

The Nelson Service Station is completely equipped to serve the needs of its patrons. Whether it is gas, oil, greasing, vulcanizing or a new tire that you purchase, service and satisfaction are always assured. Earl Nelson, the proprietor of this station, has built his business by selling quality stock, giving good workmanship and dependable service at standard prices. He carries a large stock of tires and tubes. Mr. Nelson is one of the most progressive business men in this community. Whatever you purchase from him, he believes in giving you one hundred cents in value for the dollar you spend. This principle has brought to his station a continually growing trade. He is an enthusiastic booster for Grayling at all times. How long has Earl Nelson had this station? What makes the Nelson Service Station sell? What Battery?

## Hanson's Cafe

Clean pleasant surroundings have much to add to the enjoyment of a meal and when these are joined to the knowledge that the food is tastefully cooked and prepared from nothing but the finest materials, eating becomes a pleasure. In Grayling one can find this combination at Hanson's Cafe. Here no one takes a chance. No matter what you order you know you are getting the best the market affords and the flavor will be just right. Mr. H. Hanson knows the Cafe business and his congenial ways have made him a host of friends. He is fast making a favorable reputation for the Cafe and himself, and in this way has built up one of the leading business houses of this section. His prices are modest and as well as the stranger within the gates is as welcome as the old timer. How long has Mr. Hanson had this Cafe in Grayling? What hours is it open? What ice cream is featured here?

## South Side Grocery

The South Side Grocery is not one that has just been established. They have served the housewives here with the best in the grocery line for some time. The women folks of this section know that when they buy here, they are sure to get goods that are of the best and that are fresh. Mrs. Lottie Atkinson, who is the proprietor of this store, is a local business woman, whose interests are in this community. She does not believe in foisting on the people of this community inferior goods under the guise that she is giving them a bargain. She appreciates the trade that is given the South Side Grocery and she shows her appreciation in the service she gives. Mrs. Atkinson has a spirit of friendliness toward all and is a booster for Grayling and a loyal citizen of it. How long has she lived here? How long has she owned the South Side Grocery? What is the phone number?

## J. F. Smith Service Station

Gas that gives the miles and oil that really lubricates is what the motorist wants and J. F. Smith's Service Station, features these things. Mr. Smith gives his personal attention to his business, which assures his trade the best that the market affords. It seems here like it is a pleasure for them to serve you. They greet you with a smile and a pleasant word when you drive in. Your wants are their first consideration and they show you many little courtesies that one does not receive in most stations. Mr. Smith is a live wideawake business man, who gives you first class products at all times. Every day is a new day for him and he tries to serve your wants a little quicker than he did the day before. He is one of the most progressive citizens of Grayling. How long has he had this station? What hours is it open? What is lowest priced oil sold here per quart?

## The Sweet Shop

One of the most popular places in town where one can buy the best of candy, ice cream and everything in the Confectionery line is the Sweet Shop. This place of business is not of mushroom growth, but has been built by service and quality products. There is a spirit of friendliness here, that you notice as soon as you enter the door. The fountain is clean and their ice cream, whether they serve it plain or in different combinations is always delicious. The candy sold here always appears tempting and is the best that can be bought. Earle Hewitt, the proprietor, is highly regarded by every one who has any dealings with him. He is not only a good business man, but he is a good citizen as well and can always be depended upon to co-operate in anything for the good of Grayling. How long has he been in this business? How long has he had The Sweet Shop? What hours is it open?

## The Cowell Institute

Progress has practically eliminated some lines of business. The buggy whip, manufacturer and carriage maker, are examples of this fact. However when one occupation becomes obsolete, the inventive mind of man, conceives a new trade or profession to replace the old. Mr. John W. Cowell and his business associates have opened the Gates of Opportunity, to people who have the initiative to progress. They give a correspondence course in Marbleizing, stone enameling and mold making, which is gaining world-wide attention. With their method it is possible to give a surface or object, the enhancing beauty of marble or other stone, that will endure the Hand of Time, at a very moderate cost. This firm is a valuable asset to Grayling and is at all times willing to co-operate with any movement for its advancement. When did Mr. Cowell first come to Grayling? How long has he been specializing on Marbleizing? Can concrete products, wood, lumber or wall board be marbleized?

## Waldemar Jenson Interior Decorator

An interior decorator has much to do in making a building attractive. Artistic wall paper that harmonizes with the color scheme of the woodwork, is an important feature. Beautifully painted panels, add greatly in many instances. Interior decorating is an art, practiced by many but perfected by few. Mr. Waldemar Jenson, of Grayling, has earned a reputation that has spread to distant cities. His services are in demand by the discriminating home and public building owner, as his work stands out in keen contrast, when compared with ordinary work of this nature. The personal pride that Mr. Jenson takes in his work, is manifested in the results. He is one of the most energetic business men of Grayling and a substantial citizen of it. How long has he lived in Grayling? What is his phone number? When did he do the art work in the dining room of the Shoppen-agon Hotel?

## His Favorite Dish—ICE CREAM or MALTED MILK

Mighty healthy for him, too, for Freeman's Ice Cream is known for its purity. Try our Chocolate Soda or Sundae, you will like them.

## 29 GRADUATES RECEIVE DIPLOMAS

**LARGE CROWDS WITNESS COMMENCEMENT EXERCISES**

The class of 1930 has finished its school work and are now duly enrolled as graduates of Grayling school. Twelve years of study under competent instructors has fitted them with a high school education and all have duly earned the honor of receiving a commencement diploma.

It is a fine class of 16 girls and 13 boys, as follows:

Margaret Warren, Elizabeth Matson, Helen Lietz, Arthur May, Mary Schumann, Donald Kovane, Arthur Curnalia, Donald Emery.

James Post, Gordon Pond, Walter Korhonen, Joseph Kesseler, William Kolka, Marshall Sisco, Thorvald Sorenson, Arthur Williams.

DeVere Schmidt, Marie Mallinger, Dorothy Hoelsi, Margaret Fehr, Elsie Johnson, Helen Woodburn, Eleanor Gorman, Grace Parker, Effie Hunter, Clara Bagby, Trasse Vallad, Leona Markby, Mary Mahneke.

**Baccalaureate**  
The baccalaureate sermon was held at the Michelson Memorial church. The platform was beautiful with baskets and bouquets of flowers, prominent in crimson and gray, the class colors.

Rev. J. W. Greenwood, pastor of the church, took for his sermon the subject "Set of the Sail." In it he pointed the pathway that leads to a richer and more noble man and womanhood.

After prayer a quartette composed of Mrs. Clippert, Mrs. Milnes, Mrs. Jarmin and Miss Hermann sang very beautifully "Dream Ships." And after the sermon the ladies sang "Just For Today."

It was a very beautiful and interesting service thruout.

**Class Night**  
Tuesday was class night. The members marched in as Miss McAllister played a march. As the procession entered the platform the large audience arose to honor them.

The stage was pretty in a setting of green ferns that lined the back of the platform. Above in the background was the motto of the class: "Life Is Now Our School." The young ladies were attractively dressed in organdy dresses, made especially for the occasion; the boys looked fine in white trousers and black coats, and small black bow ties.

The program rendered was as follows:

President's Address—Thorvald Sorenson.  
Salutatory—Eleanor Gorman.  
Class Grind—Mary Mahneke.  
Class Prophecy—Clara Bagby.  
Vocal Duet—"Memories"—G. C. Parker, Margaret Warren.

Class Knockout—Joseph Kesseler.  
Class Will—Margaret Warren.  
Class Poem—Effie Hunter.  
Class History—Dorothy Hoelsi.  
Giftatory—Elizabeth Matson, Mary Schumann.

Valedictory—Helen Woodburn.  
Class Song—DeVere Schmidt.

The valedictory address of Miss Woodburn appears in full on the last page of this edition.

**Commencement Night**  
The final note in the history of the class of 1930 was sounded when the members assembled for the last time to listen to the commencement address and to receive their diplomas.

Dressed in caps and gowns and wearing American Beauty roses, the class flower, the class looked scholarly and dignified as they took their places upon the platform. With Mrs. Clippert at the piano, Mrs. Milnes, Mrs. Gothro, Mrs. Jarmin and Miss Hermann rendered a vocal quartette.

Rev. Greenwood offered invocation after which Supt. LaBarge introduced the speaker of the evening—Prof. A. Metcalf.

The latter recalled some of his experiences while residing in Grayling more than a quarter of a century ago.

The subject of his address was "Youth at the controls." He cited many inspiring examples of feats and achievements, accomplished by having a straightforward purpose in life and following it no matter how much hampered or discouraged. "Luck Lindbergh," they called him. But it wasn't luck, it was preparation, having the proper groundwork. The speaker told of how for two years he served as grease monkey for airplanes; later learning the mechanical construction; and gradually learning every feature in connection with the mechanics and the science of flying. Then after being given the controls, he served as mail pilot for six years. Having decided that he

would fly across the Atlantic, he first prepared himself for every possible occasion that might arise. He would wander about for 48 hours without sleep to test his endurance to keep awake. Every test required of him he made during the period of preparation, and when he started on that epoch journey three years ago last month, "he was prepared."

The speaker cited other outstanding examples of hard work in an effort to climb to the top. Dr. Hutchins, president of the great University of Chicago, at the age of 32 years, got there, not by luck, but by hard work. Sandbags such as social affairs, joy riding, night clubs and other hindrances were thrown overboard while this youth steadily climbed the ladder to fame.

Edison, Henry Ford and hundreds of others saw their efforts crowned with fame. It was by adopting a definite program of life and then driving everlastingly toward the goal they sought that made success possible.

These men were prepared. Crashes come from lack of proper groundwork and preparation. The work is safe while capable hands are at the controls but there is danger when the pilot is inexperienced.

Wherever there is success there has been hard work and energy expended to learn and to become prepared. It meant hard work for Lindbergh and for Dr. Hutchins.

Mr. Metcalf said he used to watch High school pupils work. Some hadn't learned how to work. In order to know how to work there must be groundwork and then work and plenty of it.

Another important point in his address was "responsibility." "If you are going to be a big success you must learn responsibility."

The speaker left with the class many suggestions which, if followed, are bound to accrue to their great good in their future lives.

The program continued and Mrs. Milnes and Mrs. Jarmin sang a duet. Diplomas were presented by Secretary M. A. Bates of the School Board. After another very enjoyable musical number by the ladies quartette, Rev. Greenwood closed the meeting with benediction.

Tonight the first Alumni banquet will take place at Michelson Memorial church given by the class of this year. Many are planning on attending and no doubt a permanent organization will result from the gathering. Following the banquet a dancing party will follow at the school-gymnasium to which all are cordially invited.

**ENNA JETTICK** shoes fit and stay fit. AA to EEE sizes, 3 to 10 in stock. \$5 and \$6 at Olson's—Adv.

Ernest Olson has opened a barber shop in connection with the Marinello Beauty Parlor, opposite the Court yard and is specializing in hair cutting for ladies and children. For several years Ernie has been operating a barber shop in Pontiac but business is dead there due to the shutdown of several of the large industries, so has come back to the "Best town on the map."

The Lucky Day guessing contest of how many color chips in a container last Saturday at the Hanson Hardware resulted as follows: Mrs. Sidney Robarge, 1st prize, 5 gallons pure outside paint; Mrs. Edward Gierke, 2nd prize, 1 gallon; Mrs. Hanson, 3rd, and Ebern Olson, Jr., 4th prize, 1 gallon paint each; Mrs. A. M. Peterson, 5th prize and Mrs. Adolph Peterson, 6th, each one quart paint.

Grayling Council Knights of Columbus were hosts to the gentlemen of St. Mary's parish Saturday evening at a fish supper at the American Legion hall. H. H. Johnson, representative of the Supreme Council, Knights of Columbus, was a visitor to the Council on that day and the local Knights took this manner of entertaining him. The supper which was par-excellent was prepared and served by the ladies of St. Mary's Altar society. Bowls of spices guarded by yellow tapers were used as table decorations. Richard Lovely, local Grand Knight acted as toastmaster and called upon several present, all of whom responded with brief hampered or discouraged. "Luck Lindbergh," they called him. ## FREDERIC COMMENCEMENT EXERCISES

A successful year for Frederic High School. The beginning of our graduating exercises was the Baccalaureate address given by Rev. John W. Greenwood in the Methodist Protestant church in Frederic.

A very pretty march was rendered by Miss Ruth McNeven of Grayling who also played for the Frederic High school quartette consisting of the Misses Ethel and Erma Barber, Olive Odell and Lillane Welch. The music was all exceptionally good and well received.

The sermon given by Mr. Greenwood was replete with progressive thoughts exceedingly well fitted for graduates of our age who hope to solve successfully the problems of a christian country.

An unusually large crowd gathered to hear the commencement exercises that were held in the Frederic School auditorium. The march was played by Mrs. C. G. Clippert of Grayling and to the strains of sweet music the class of 1930 marched in, which although it consisted of only one graduate, Miss Rosalie Stammer, was represented by one very well qualified for the place she held.

The songs were rendered by the ladies quartet of Grayling, consisting of Mesdames Gothro and Jarmin and the Misses Marie Schmidt and Vella Hermann. Many favorable comments were made in regard to the music and we were indeed fortunate to secure such excellent talent.

Following the invocation came an address by Rosalie Stammer. This was the last effort necessary to be made before receiving her diploma and she performed her duty in the same excellent manner characteristic of her so many times in the class room. It was indeed gratifying to hear our commencement speaker extend her praise which she so well merited. Again Frederic had the

privilege of listening to a commencement address by Rev. John W. Greenwood.

Although our geometry class had been taught and had swallowed it, that a straight line is the shortest distance between two points, Mr. Greenwood proved very conclusively that it is an absolute falsity and is a grave question whether the teachers can ever make the Frederic students believe anything they say in the future. The speaker illustrated his proof by calling attention to shortcuts to success that in the end usually prove to be failures. Mr. Greenwood was pleasing as well as very instructive and those who listened will be anxious to hear him again.

Supt. John W. Payne presented the Eighth grade diplomas to the students of Frederic, Maple Forest and Lovells townships. With a few well-chosen words, Supt. C. S. Barber presented Miss Stammer her diploma. Thus a school year ends and the merry laughter and play of our young people will again be more in evidence in our homes and on the playground.

## Summer Cottages built this way are cool and comfortable

In no other way can so much comfort be built into a summer home for so little money as with Celotex Insulating Lumber.

This remarkable lumber, made from the long, tough fibres of cane, does what no ordinary building materials can do. It practically stops heat. It shuts out wind and moisture.

The comfortable coolness of a cottage built with Celotex is a delightful surprise. And if you want to use your cottage late in the season, Celotex will keep it snug and warm.

The cost of such a cottage is no more than the cost of one built with good lumber. Celotex is used for both exterior and interior finish. When painted, it will resist the weather quite as well as wood lumber. And it is much stronger in wall sections than wood. The broad, strong Celotex boards are easy to handle and apply. Sawed and nailed as wood lumber.

We sell and recommend Celotex. Ask us for sample and prices.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES  
OF THE AVALANCHE OF 23 YEARS AGO.

Thursday, June 13, 1907

C. W. Amidon has completed the foundation for another big steel refuse burner at the hand mill.

There were forest fires in every direction from the village Sunday and Monday, fanned by brisk winds.

George Mahon came home from the University last week for a vacation to the 22 inst.

John Rouse of Bay City was in town the last of the week on his regular business trip. He has not grown a day older, is jolly as ever, as welcome as usual.

Mrs. C. J. Hathaway has been quite seriously ill for the last two weeks, but is able to be around again. Her recovery was more rapid as her parents, Mr. and Mrs. Ivory of Orion, were with her.

F. O. Peck who has been seriously sick for the past week, is reported somewhat better as we go to press.

Mrs. C. W. Wight attended the G. A. R. encampment at Bay City this week as a delegate from the W. R. C. of Grayling.

L. Colleen has bought the restaurant near the Mercantile Co.'s store, of E. Brown. Mr. Brown and family removed to Owosso, Tuesday.

Delevan Smith and wife, Adelbert Pond and wife, D. S. Aldron and O. Palmer attended the State encampment G. A. R. at Bay City this week.

A load of logs on sidetrack near the planing mill caught fire from a train and was run under the engine, filling hydrant and flooded out, Monday morning. An alarm was turned in but the department was not needed.

Mrs. Harrington, Oaks and Wilson attended the encampment at Bay City this week, representing the

ladies of the G. A. R. of this place. Mr. Harrington went with them and with his wife will visit friends in Midland before they return.

The Citizens' Band gave one of their popular concerts in the band stand in the court house park last Friday evening. It was the first night of the season when it was pleasant to be out, and more than 500 of our citizens took advantage of it, to enjoy the air and music.

Lovells Locals  
(23 Years Ago)

Charles Ward has bought of the T. E. Douglas Co., 72 forty's, at ten dollars per acre.

Dr. Underhill bought 80 acres of Mrs. Mammie Carrier, consideration five hundred dollars. The Dr. knows what he is about. He has also bought an up-to-date stump puller that is on the way here.

Charles W. Miller has done a good job pulling stumps on the Miller farm.

W. R. Love sold his place to E. S. Houghton. We were informed it went with the Ward purchase.

Beaver Creek Breezes  
(23 Years Ago)

Mrs. Montgomery and sister, Miss Noxon returned to Chicago last week. They will be missed by their many friends.

Misses Laura London and Martha Knibbs are visiting here this week.

H. Moon and son Floyd are shearing sheep for N. Michelson at Houghton lake this week.

Our popular teacher, Mr. Marks, has declined to accept another term of school. He has been the best teacher the Union school has ever had and the patrons will be sorry to see him go.

REMEMBERS OUR FRIENDLYNESS

O. P. Schumann, Grayling, Mich.  
Dear Friend,

I notice the blue mark which shows my subscription has run out and I hasten to renew. Please find enclosed check for \$2.50. I am sorry I can't run up to your town for a few weeks not so much to save interest on 50c for that time, but to live over again for the memories of a year ago where I regained my health and met so many wonderful people whose friendship and welcome are always in the foreground and whose motto as suggested in the first three words of your paper is "Justice and Right."

Yours respectfully,  
Alex McPhoe,

TRI-COUNTY SPORTSMEN'S  
CLUB AT MIO JUNE 13

With specially-constructed tables now in place along the banks of the AuSable for seating 2500 sportsmen at the open-air banquet, the scene is all set for the June 13 meeting of the Tri-County Sportsmen's Club at Mio, according to R. G. Schreck, secretary of the organization. Also, the new open-air stage has just been completed where many features of the elaborate program will be given, including speeches by Attorney General Whitmer M. Brucker, Conservation Director George R. Hogarth, ex-Postmaster General Harry S. New, Regional Forester E. W. Tinker, Arthur W. Stace, director of Public Utility Information, with Harold Emmons, ex-Police Commissioner of Detroit as chief speaker. Harvey Campbell, vice-president and secretary of the Detroit Board of Commerce will be toastmaster and master of ceremonies. Dr. Wm. Kerr of Bay City will lead the round-table discussion on sports at 11:30 a. m.

The tables and stage are situated near the Mio dam, where the log-rolling, fly-casting and other river sports contests will take place, in a schedule of amusements beginning at 10 o'clock on the morning of the all-day celebration. Trap-shooting, diving and swimming contests and Keno games as well as motorboat races also will feature the morning of sport. Prizes in the contests include sporting equipment such as waders, casting rods, hunting coats, bait, creels, outboard motors, fly rods and guns.

Beginning at noon, the Mio and Oscoda bands will furnish musical concerts, with a special concert at 8 p. m. when the band organization will be augmented by a seven-piece orchestra from Rose City.

"The young ox," said Mr. Schreck, "which has been fattening for many weeks for this event, is in splendid condition and will make a fitting feast for June 13."

"We see no reason," continued the Huron National Forester, "Why we should not have a crowd-even to exceed the 2500 for whom we have prepared. The beautiful AuSable is never more beautiful and the roads leading into Mio from every direction are in perfect condition. I recently traveled M-72 myself and found it excellent in every mile, and M-33 is now as beautiful scenically as it is for motoring."

ENTERTAINS AT LOVELY AFFAIR

Wednesday evening, Mrs. Frank LaChance was hostess to her Bridge Club of Roscommon at a very delightful affair. The LaChances recently moved to Grayling from Roscommon and are residing in the Kuster home on Michigan avenue.

Five interesting games completed the evening's play after which a lovely three course lunch was served at the four small tables.

Mrs. LaChance was assisted by her daughter, Miss Irene.

The high honors were held by Miss Mary Richardson of Roscommon and Miss Faye Matheson, while low scores were held by Mrs. Edith Kieley and Mrs. Earl Dutton, both of Roscommon.

Among those present from Roscommon were: Mrs. Jesse Greene, Mrs. Blanche Loughray, Mrs. Elizabeth Blanchard, Mrs. D. E. Matheson, Mrs. Anna Kieley, Mrs. Edith Kieley, Mrs. Ora Hall, Mrs. Harvey Purley, Mrs. Harley Williams, Mrs. LaVerne Williams, Mrs. Isaac Shirey, Mrs. Earl Dutton, Miss Blanche Greene, Miss Mary Richardson, Miss Iva Price, and Miss Faye Matheson.

ALPENA SPACE GRAFTERS

Again the Alpene space grafters, the meat hogs and a gang of fault finders, seeking to put the Conservation department in bad, have broken into print about the terrible death rate among deer in an area close to the Turtle Lake Game Reserve in that part of our state. Dead deer were found in that section last winter, and this gave opportunity for parties who are paid so much per line for items written for the Detroit papers to turn many pennies their way.

Another crowd of fault finders laid the trouble all to Conservation officers. As a result of the hell-ballo about starving deer the Conservation Department sent an expert into the field to see for himself and determine what was killing the deer.

Of course he did not find as was reported he would find, and because his report to his superiors did not lend color to all the vivid lies that had been manufactured he is censured, and another investigation must be made.

Mr. Lovejoy was the last man on the scene, and it is now reported he has reported the area overcrowded with deer, and then someone recommended that hunters be allowed to kill the female deer as well as the males in this section next fall, and the report further states that Mr. Lovejoy considers such a plan practical. It has also been suggested that they be provided with hay next winter. All of that stuff doesn't mesh with the contention of other meat hogs that the one buck law will result in a complete extermination of the deer herds, does it? Hay fed deer will resolve itself into dependent deer, that must always be hay fed, and their clinging close to home haunts. Depletion of the herds by killing male and female deer would establish a precedent that would wreck our present one buck law and a practice that would be asked for all over the state. The application of a little common sense and good judgment, the refusal to believe all the junk that is written to metropolitan papers by people trying to make their stories stretch and create greater public interest regardless of the truth, a better co-operation among conservation officers and chaps' might all tend to a better understanding and the deer would live just as conceivable and multiply just as fast—Cheyenne Observer.

## Inside Information

An invisible pocket in the seam of a little girl's dress similar to a boy's trouser pocket is useful when she has to carry money.

Prune production in the United States has increased greatly in recent years. This country supplies 75 per cent of the total world production.

In choosing a gas stove consider where it is to be installed and how the window light will fall on it. The choice of a left-hand or right-hand oven is not so much a matter of left or right-handedness as it is provision for good light on the open burners when one is cooking or cleaning.

When the oven is between the window and the burners it casts a shadow on them.

Buy bright-colored bathing suits and caps for children. Orange, yellow, red, vivid blue, green, or violet are colors that can be seen readily from a distance along the shore. Neutral-colored suits blend with the background of trees or rocks and the shades of the water. Should a child wander out of sight or beyond his depth his absence will be more promptly noticed if he wears a bright-colored suit which makes it easy to locate him quickly.

Real-estate dealers say that a good, dry, light celler adds from \$500 to \$1,000 to the value of a dwelling. Of first importance is the site for a building, says the U. S. Bureau of Public Roads. Choose a site moderately elevated so that there is a fall in at least one direction. The soil and subsoil should be open and porous so that air and water are admitted readily. Sands, gravels, and loams are good soils. There should be 6-5-3

good, deep, natural drainage, so that during the wet season of the year the ground water will be at least 10 feet below the ground surface.

BIDS TO BUILD SIDEWALK

Bids for the construction of a certain cement sidewalk according to the specifications on file at the office of the Village Clerk will be received on or before Friday, June 20th, 1930.

BIDS TO PAINT VILLAGE HOSE HOUSE

Bids for painting the Village Hose House will also be received on or before the above mentioned date.

## This Woman In 4 Weeks Lost 19 Pounds of Fat

Here's a letter written October 21, weigh 239 lbs. And I must say, I feel better in every way, besides looking much better. Kruschen Salts had a decided effect upon the quantity of food I took and stimulated my desire to greater activity.

I have recommended Kruschen Salts to many of my friends, in fact, have a number of them taking Kruschen Salts.

May all large people, both men and women, who want to reduce, in an easy way, give Kruschen Salts a fair trial. I am sure it will convince any one.

A bottle of Kruschen Salts that I last four weeks costs but 85c at the Mac & Gidley drug store or any which has been just four weeks, I drug store in America.

## You DON'T KEEP THE handcrank OUT IN FRONT

The handcrank has practically become a museum relic. Many motor oils are just as out of date. But not Shell Motor Oil. Drivers of modern cars have welcomed Shell Motor Oil because they know it keeps pace with every development in the automobile. Shell Motor Oil is ready now for the car you may buy next year. Shell's

low-temperature refining brings it to you rich in all the protective qualities of Nature's best-balanced crude. No wonder that owners of all types of cars are changing to Shell. They insist upon the extra margin of safety—the smooth, trouble-free performance of Shell Motor Oil. Have you tried it?

## New Ford Car Wins Favor

Ford Phaeton

THE Ford Phaeton, shown above, is equally popular as a family car and as a sport car for young people. The seating arrangement provides for the driver and one passenger in front and three passengers in the rear. Seats are upholstered in two-tone cross-grain leather, easily handled by one person, and folds flat. The windshield, of Triplex shatter-proof glass, is of the folding type and can be laid flat forward. The windshield wings fold over it, emphasizing the sport effect of the car.

by ARTHUR BAIRD

**J. D. Jr. Gives \$12,000,000**  
**Fear, Strange Thing**  
**Salary, One Million?**  
**Ocean Air Travel, Perhaps**

The world needs little and big things.  
 It needs little brooks to create love-  
 liness; great Niagara to create power.  
 It needs little fortunes for millions  
 of happy and useful families; big for-  
 tunes, with power, to do really big  
 things.

John D. Rockefeller Jr. has offered to  
 New York city land for parks and  
 buildings to the value of \$12,000,000.  
 One enormous tract of fifty-six  
 acres in Manhattan could not be  
 duplicated.

Seven million dollars' worth of land  
 and five million dollars' worth of  
 buildings, including the magnificent  
 new building for the Gothic art treas-  
 ure of the Metropolitan Museum of  
 Art, make a considerable gift. You  
 must have many millions to do that.

Fear works strangely.  
 Amy Johnson, English girl, twenty-  
 three, flew alone in her little Gipsy  
 Moth plane from England to Australia,  
 ten thousand miles, without fear or  
 hesitation.

Hurricanes, lightning, fogs, wide  
 oceans, deserts, jungles; all meant  
 nothing to that girl.  
 But when a radio hookup was all  
 arranged and the world was listening,  
 little Miss Johnson ran away.  
 "I'm afraid," said she.

Henry Ford says business conditions  
 are improving rapidly. "A lot of these  
 fellows were feeling around with the  
 stock market, and they got caught—  
 badly caught. They had to go to work  
 again. Now they have been at work  
 and they are beginning to enjoy it."

"Business is improving, according to  
 Mr. Ford, because intelligent people  
 that were gambling are now working."

John D. Rockefeller lives quietly,  
 playing golf, leaving men younger than  
 ninety-one to run Standard Oil. But  
 he keeps track of the world and when  
 he advises he advises wisely. Much  
 wisdom was condensed into the few  
 words he said to a player in his four-  
 some, "Be deliberate" and "Take less  
 and play better." That is a good  
 "How to succeed" recipe.

Young ladies, graduating in a col-  
 lege for women, are urged by Rev.  
 Dr. Robert Parrish to "be brain and  
 money women."

We owe much of education, science  
 and art to rich men, says the doctor,  
 and must not "despise wealth."

No tendency to despise wealth is  
 visible in this country. But many  
 still maintain that the "brain and  
 money woman" is not as desirable as  
 the "charm and baby woman."

Eugene G. Grace, president of the  
 Bethlehem Steel company, Charles M.  
 Schwab's creation, declined to answer  
 questions about his salary. Lawyers  
 asked: "Is your salary more than one  
 million a year?"

Mr. Grace replied, in substance:  
 "None of your business."

Once the mention of a \$1,000,000  
 salary would have shaken the stars  
 in their courses, almost. Now it  
 shakes nobody. Everything is a mat-  
 ter of percentage. If you earn \$5,000  
 a year for your employer, you are  
 worth about \$2,500.

If you earn \$5,000,000 a year, you  
 are worth \$250,000. If you earn  
 \$50,000,000 a year, you are worth  
 \$2,500,000.

Doctor Eckener's recent exploit,  
 flying from Friedrichshafen to Brazil,  
 to the United States, and home across  
 the Atlantic, may mean the beginning  
 of ocean travel for everybody. Before  
 the Zeppelin sailed Charles E. Mitchell,  
 head of the National City Bank of  
 New York, Colonel Deeds of the  
 United Aircraft company, and others  
 discussed seriously with Doctor Eck-  
 ener the proposition of regular trans-  
 atlantic air travel.

The boy that invested one dollar  
 in a derby lottery and won \$149,000  
 "split the money three ways." His  
 brother got \$85,000, he kept \$85,000  
 and gave his father \$79,000.

There was no quarrel. Each felt  
 that he was getting about all the real  
 money in the world.

Everything is comparative. Many  
 men in the United States would call  
 the total \$149,000 "not worth thinking  
 about."

The London Daily Mail is agitated  
 because 8,000 men marched through  
 the street at Poona, in India, "openly  
 abusing the government, carrying a  
 portrait of King George, Emperor of  
 India, decorated with old shoes, in  
 token of contempt."

The Mail correspondent thinks  
 something should be done to make  
 the Hindus respect their British  
 emperor.

The fact that not very much is  
 done shows how wise the British are.  
 Great Britain will let you talk to your  
 heart's content, if you don't act.

In Hyde Park, a few blocks from  
 Buckingham palace, you may say  
 whatever you think about King George.  
 Nobody will disturb you while you  
 only talk.

A wise nation knows enough not to  
 sit on the safety valve. Man's mouth  
 is his safety valve.

## SPECIAL TO NORTHEAST OLD RESIDENT PASSES AWAY

The itinerary of the Better Beef  
 Truck, to be sent out on a two weeks'  
 tour in the interest of stimulating  
 the use of better sires in dairy and  
 other herds, has been announced by  
 Delmer H. LaVoi, extension special-  
 ist in animal husbandry of Michigan  
 State College, Lansing.

Each of the breed associations will  
 send a man along to represent them  
 at the meetings to be held along the  
 route of the truck, and L. L. Drake,  
 Agricultural Extension Agent for  
 North Eastern Michigan, will also be  
 present on the trip.

In discussing the project of the  
 Better Beef Truck, Mr. LaVoi said  
 recently:

"One of the most important fac-  
 tors contributing to the success of  
 the production of beef calves is the  
 use of a pure bred bull of the right  
 type."

"This has been shown from the  
 results obtained thru the various ex-  
 periments conducted in different sec-  
 tions of the country demonstrating  
 the value of pure bred bulls in grad-  
 ing up beef and native herds of  
 cattle. The most conspicuous and  
 noteworthy of these demonstrations is  
 the experiment conducted by the  
 United States Department of Agri-  
 culture and the Missouri Agricultural  
 College in cooperation with the Sm-  
 A-Bar Farms at Grain Valley, Mis-  
 souri, over a period of ten years. In  
 this experiment it was found that  
 calves sired by grade bulls were  
 worth \$2.00 a cwt. less than calves  
 sired in the same manner and out of  
 similar cows, but sired by pure bred  
 bulls. When these calves were mar-  
 keted at a weight of 560 pounds  
 those sired by the grade bulls sold for  
 \$11.20 a head less."

"The lower selling price on the  
 calves of the poorer breeding was  
 chiefly due to their slower maturity,  
 poorer quality, and smaller gains  
 which in return brought lower prices  
 because of their lower value per  
 pound."

"It was also shown that the calves  
 sired by the pure bred bulls made  
 greater returns at no additional cost,  
 hence more profit. These calves were  
 also more blocky in appearance,  
 carried more style and uniformity,  
 and were superior in quality, which  
 are other factors entering into higher  
 market values."

"In grading up farm cattle, the  
 quality of calves is approximately in  
 proportion to the individual ex-  
 cellence of the sires used, hence the  
 importance of selecting bulls possess-  
 ing qualities sought for in the off-  
 spring. The demonstration also shows  
 clearly that breeding is a dominant  
 factor in the production of high  
 quality beefs and that good feeding  
 and management will not return best  
 results unless the element of good  
 breeding is present also."

"Breeding up is profitable; breed-  
 ing down is not. With poor sires  
 you have low returns and that is not  
 the way to dispose of low production.  
 Economy is not the result of the  
 substitution of cheaper and poorer  
 bred sires which will cause the above  
 effect, but the substitution of better  
 sires that will increase production as  
 well as improve your herds."

### New York Orchestra Thrills Europe

Vienna—Adhering to the accepted  
 definition of the term, it is not strictly  
 "news" when Old World musicians  
 triumph in America, but when a New  
 World orchestra "brings down the  
 house" in Europe, as the New York  
 Philharmonic-Symphony Orchestra  
 has done here—following a similar  
 success in Milan, Italy—it is worth  
 recording. Among the distinguished  
 company present for the sensational  
 performance here were Princess  
 Helene of Rumania (mother of King  
 Michael) and Princess Irene of Greece  
 who came to Vienna especially for  
 the event.

### CLASSMATES

The last party which the Senior class  
 of this year attended, of which the  
 Junior class are included, was given  
 last Thursday night at the Danish  
 Landing on Lake Margrethe, by Lor-  
 etta Sorenson, Junior class president,  
 and Thorvald Sorenson, Senior class  
 president.

The young people gathered at the  
 school at seven o'clock, where they  
 were found for everyone, to be taken  
 to the lake. Here the big time start-  
 ing by a lively baseball game, the  
 girls against the boys. It is debate-  
 able as to which team is the better.  
 The rest of the evening was spent  
 in singing, dancing, and so forth, un-  
 til around 9:30. A real out-of-door  
 party, and lots of it was more than  
 enjoyed. At 10:30 the young people  
 started home, feeling that the last  
 party together was a big success.

## On Saturday afternoon friends and relatives gathered at the Danish Lutheran church on the sad occasion of paying the last tribute to Thor-

kild Boeson, whose death on Wednes-  
 day morning came as a distinct shock  
 to his family and the people of this  
 community. Death was due to heart  
 trouble.

Mr. Boeson was born in Denmark  
 on March 25, 1868. At the age of  
 twenty years he came to America,  
 going directly to Muskegon, Michigan.  
 He came to Grayling forty years ago  
 where he became acquainted with  
 Miss Olga Grouleff who has been his  
 faithful and loyal comrade for  
 thirty-seven years. Their married  
 life has been spent in Grayling. Mr.  
 Boeson was a blacksmith and in 1890  
 operated a blacksmith shop on the  
 street now known as Railroad street,  
 being a partner in business with Mr.  
 Eugene McKay, who has also passed  
 away. It was about this time that  
 Mr. Boeson returned to Denmark for  
 a visit with relatives. He was em-  
 ployed as blacksmith for a good many  
 years in the Salling Hanson camps.

To the union were born three chil-  
 dren, twins who died in infancy, and  
 Mrs. Louis Heribson who with her  
 mother lives to grieve his unexpected  
 demise, as well as Mrs. Peter Ras-  
 musson of this city, a sister of the  
 deceased.

Mr. Boeson was an active member  
 of the Danish Lutheran church, at-  
 tending church regularly and being  
 one of the trustees of the church  
 board.

A short service was held at the  
 home followed by services at the  
 Danish Lutheran church, Rev. Kjol-  
 hede bringing a tender message of  
 comfort.

Interment took place in Elmwood  
 cemetery.

The flowers were many and beauti-  
 ful. There were not only many beau-  
 tiful wreaths and sprays which cov-  
 ered the casket but many baskets of  
 flowers, sentiments of sympathy from  
 hosts of friends.

"Teach me, Father, how to go  
 Softly as the grasses grow;  
 Hush my soul to meet the shock  
 Of the wind-world as it rocks;  
 But my spirit, proud with power,  
 Make as simple as a flower.  
 Teach me, Father, how to be  
 Kind and patient as a tree.  
 Joyfully the crickets croon  
 Under the shady oak at noon;  
 Beetles, on their mission bent,  
 Tarry on that cooling tent.  
 Let me also, cheer a spot  
 Hidden field or garden grove—  
 Place where passing souls can rest  
 On their way and be their best."

## KONJOLA ENDS SUFFERINGS OF THREE YEARS

Battle Creek Man Eager In Praise Of  
 New Medicine—Kidney And Liver  
 Troubles Banished

MR. CHARLES GARRET

"For three years I suffered daily  
 with the pangs of kidney and liver  
 trouble," said Mr. Charles Garret,  
 Route No. 10, Battle Creek, "The  
 medicine I tried the worse my  
 conditions became. I had nausea and  
 dizzy spells and was forced to rise  
 often at night. I felt tired and worn  
 out all the time and took little or  
 no interest in my work. Back pains  
 and bilious attacks brought on severe  
 headaches and my nerves were be-  
 coming badly shattered."

"I had tried so many medicines  
 without benefit that I hesitated when  
 Konjola was recommended. Almost  
 from the beginning of the treatment  
 with this new medicine life took on  
 a different aspect for me. One by  
 one the organs of my body became  
 normal. Back pains vanished and  
 my kidneys functioned as they should.  
 My liver was on longer torpid and  
 sluggish and I was free from head-  
 aches and bilious attacks. I am in  
 better health today than I have been  
 since childhood."

Konjola is designed to give  
 thorough and lasting relief. Like  
 my worth-while treatment it should  
 be taken over a period of from six  
 to eight weeks in most cases. Results  
 after such treatment will amaze you  
 as they have countless thousands of  
 men and women.

Konjola is sold in Grayling, Mich.,  
 at the Mac & Gidley Drug Store, and  
 by all the best druggists in all  
 towns throughout this entire section.

Work on the Rialto Theatre is going on at a rapid rate. Mr. Olson is anxious to get opened for business and his contractor, Herbert W. there, is doing everything in his power to get the building ready for him. The workmen are putting in seven days a week and already the walls are about complete and the roof is being started. It looks as though it won't be long now. They hope to be able to present their first program by July 4th. There is still much work to be done. When finished this will be one of the most complete little theatres in Michigan. Everything that makes such a place comfortable and convenient will be installed. Modern method of heating and ventilating have been adopted; there will be rest rooms for both ladies and men, and a place for babies. Another feature will be a lodge where clubs or societies may take their members for theatre parties, and where they may be among themselves. Everybody is awaiting with interest the opening day, for the theatre is being very much missed.

Mr. and Mrs. Andrew Brown and family are enjoying a visit from their son John, wife and little son Robert Allen of Kenosha, Wis.

The regular meeting of St. Mary's Altar society will be held at the home of Mrs. J. W. Letzkus on Thursday afternoon, June 19th. Mrs. Harold Rasmussen will assist Mrs. Letzkus.

Mr. and Mrs. William Davies of Bay City have moved to Grayling and are occupying the Peter F. Jorgenson house on Peninsular avenue. They are here for the benefit of Mrs. Davies' health.

Mr. and Mrs. Kenneth Clise and little daughter, Maxine and Mrs. George Clise motored to Sterling Saturday afternoon to visit relatives. They returned Sunday evening leaving Mrs. Clise for a longer visit.

Sorenson Bros. offer free on Saturday, June 14th, a handsome vase with every purchase of Waterspar Quick Drying Enamel or Lacquer.

These vases are valued up to \$1.00 each. Don't miss it.

Word has been received of the death of Lon Richardson of Marion, father of Mrs. Cameron J. Game of Detroit. Mr. Richardson often visited in Grayling when the Game family resided here.

Last Thursday afternoon Mrs. John Erkes nicely entertained about fifteen members and guests of Our Gang, a new play club, a play given to Miss Velma Barger, Mrs. Erkes winning the Penny prize. A very nice lunch was served late in the afternoon. Mrs. Dewey Palmer will be hostess to Our Gang June 19th.

Mr. and Mrs. Algot Johnson entertained at their home Wednesday evening in honor of Mr. and Mrs. Sigurd Johnson. There were 25 young people who came to extend congratulations to the bride and groom. The couple received many beautiful and useful gifts. The evening was spent playing cards and a delicious lunch enjoyed. The young couple were wed in Manitowish last Sunday.

Mrs. Clarence Ingalls motored to East Jordan last Wednesday returning the same day and going on to Gladwin and Beaverton on business.

Miss Lillian Gorman arrived in Grayling this morning to the charge of illegal use of auto license plates on his car. He paid Justice H. Peterson \$10.00 and costs.

Mr. and Mrs. Esbern Hanson and Mr. and Mrs. H. A. Bauman left Wednesday for Delafield, Wis., to attend the commencement exercises at St. Johns Military academy. Junior Hanson is a cadet at that institution.

Miss Lillian Gorman, who has been in New York for some time, with her daughter, Miss Virginia, will be in attendance at the exercises.

Miss Lillian Gorman, sister of Maurice Gorman arrived Monday from Bay City to be in attendance at the graduation of her niece, Miss Eleanor Gorman. She was accompanied here by Dick Drescher, who returned the same day. Miss Lillian left for her home in East Jordan Wednesday, her father and sister, Miss Adele driving over to accompany her home.

Miss Eleanor Gorman lost the cap that matched the gowns worn by the Commencement class and would appreciate it if the finder would please return it to her. Mr. Lietz, tailor, very kindly gave his time and furnished the material and made a cap identical to the one lost if not better, and had it in time for Miss Eleanor for Commencement night, which was very much appreciated by her.

Word has been received of the death of Lafayette B. Merrill at Lapeer, Mich., on June 8. Mr. Merrill was a former well known farmer of Beaver Creek Township and also had many friends in Grayling. He was 74 years old. The funeral was held Monday afternoon with services at the Benjamin funeral home, Saginaw, Rev. C. E. Doty of Bay City officiating. Burial was in Forest Lawn cemetery. Surviving the deceased are his widow, Sarah C. Merrill, one son, Clifford S. Merrill, Saginaw, and five daughters, Mrs. Bernard Ober, Saginaw; Mrs. Arthur Kile, Lapeer; Mrs. Harry Knoll, Londonville, Ohio; Mrs. Allen Spitzer, Toledo, Ohio.

The friends of Matilda Foley Bishop will be pleased to learn that she has just been granted her Master's degree. Mrs. Bishop is a graduate of Grayling schools and has been principal of one of the schools in Cleveland, Ohio, for several years past. In a recent letter she states that she was elected state delegate to the National Educational convention to be held in Columbus, Ohio, June 28 to July 4 of this year. The home people are always pleased when they hear of such outstanding successes of their home boys and girls, as has come to Mrs. Bishop. When a student in Grayling High she was a ward of Dr. and Mrs. Palmer, thru whose influence it was possible for 25 boys and girls to receive high school educations.

Who's Who in Grayling? A write-up of business places in Grayling under the above caption appears in this issue of the Avalanche. The articles are all very interesting and we believe our readers will enjoy reading them. Three questions are asked about each business firm, and handsome prizes await those who furnish the most complete and nearest replies. Anyone should be able to collect the answers in an hour by visiting or calling on the several business places. The first prize is a handsome genuine leather ladies' purse, valued at \$11. Second prize is a toilet set valued at \$10.00. The third prize is an electric toaster valued at \$4.00. These prizes are all of genuine value and worth working for. Read over the articles and then get in touch with the advertisers and get their answers. File your replies with their office not later than 5:30 p. m. Tuesday, June 17th. Will you be one of the three lucky ones?

## The Log Office Says

Interesting bits of news and comment about Northeastern Michigan gathered by the E. M. T. A.

### He Helps 21,000 Plan Vacation

From New Jersey, a few days ago, came a request for all our literature on East Michigan as a vacation land; sent by a man who is helping 21,000 employees plan their summer vacations. Twenty thousand of them, his letter says, will vacation in July. We'd advise all members to get our signs and be ready for the twenty thousand!

### Travel Files Learn About Us

East Michigan is being put into many more libraries this season. During the past week we sent out request copies of all our booklets and folders to be placed in the travel files of libraries in Los Angeles, California; Atlantic City, New Jersey; Oregon State Agricultural College at Corvallis, Oregon; and the Kentucky Library of Frankfort, Kentucky.

### Two More Magazines Tell The World

On the front page cover of the June issue of the Butler County Motorist, published in Hamilton, Ohio, appears a photograph of the AuSable River, taken from the high railway in Huron National Forest. It is an East Michigan Tourist Association photograph and is used in connection with an article "Canoe Trips in East Michigan," written in the Log Office. In the same mail, we received the May 26 number of the magazine "Detroit-This-Week," published in Detroit, which carries a photograph of East Michigan's birches and pines and an inland lake.

The leading story in this issue is an E.M.T.A. story on vacationing in this region.

### "Advertiser" Pays Us A Compliment

We told you so! We knew it was good advertising! And now in the gorgeous May number of The Advertiser, published by the Advertiser Club of Detroit, their special number to be shown at the Convention of the Advertising Federation of America in Washington, D. C., May 18 to 22, our Log Office blotted is reprinted in color, with a complimentary caption. We quote the caption: "The secret of blotted advertising is to make it so striking it won't be thrown away. It would be hard to toss aside the trim young woman who monopolizes the blotted show above. She represented Michigan in the 'Miss America' beauty contest last year at Baltimore. 'Miss Michigan' (nee Loraine Budge) will appear on a million blotters to be distributed this summer to a million tired business men and their families searching for a pleasant hot weather retreat."

### We Thrive On Appreciation

We like to get such letters as this one which came in yesterday: "Enclosed find 4c in stamps, for which please send me your All-Michigan booklet. We enjoyed your booklet last year and through following its suggestions, we had a lovely vacation of two weeks in your territory. This came in answer to an advertisement in Detroit."

## PICK COMMITTEE FOR QUEEN CARNIVAL

EACH TOWN TO PICK 5 GIRLS FOR DISTRICT MEET

At a meeting at Grayling last Friday plans were laid for the sponsoring of the queen contests for the Eastern Michigan Water Carnival in Grayling, Roscommon, Lovell, Fredrick and Lewiston.

Voting for the queens will start July 1 on Tuesday, and continue through until Friday or Saturday, July 18 or 19. Then the five highest girls in each town will come to Grayling on Tuesday, July 22, and outside judges will pick one girl from each town on a basis of beauty, and these girls will be the ones eligible to come to Bay City for the final contest, July 31, at which Miss Eastern Michigan, 1930, will be chosen.

Voting will be by means of ballots distributed to the merchants, who in turn will give them to their customers with purchases. The committee appointed thus far in each town are:

Grayling: T. W. Hanson, Oscar P. Schumann, Dr. C. R. Keyport, C. J. McNamara, C. W. Olsen, T. P. Peterson.

Roscommon: E. C. Smith, Eugene Matheson.

Fredrick: John W. Payne.

Lovell: John W. Sachs.

The men present at the meeting from Bay City who explained the entire Carnival proposition were Otto E. Sovereign, general chairman, Joseph Schwartz of the Queen's Committee, and Stanley H. Brams, assistant secretary.

### Entertainment Planned For Water Carnival

Johnny Weismuller, past Olympic swimming champion, and Miss Helen Menary, whose reputation as a diver is almost as great as Weismuller's, will appear in exhibition races at the Carnival here July 31 to Aug. 2, it has been announced.

They will show their skill during the Michigan state open water swimming championships, though they will not compete, Friday, Aug. 1, and will remain over for further exhibitions the next day.

Besides this announcement, the committee made others which are of interest to every one of the 84 towns participating in the Carnival. The girls who will represent each of these towns will be quartered in a hotel which has been entirely reserved for them over Carnival weekend. It was felt that this was better than reserving a part of a larger hotel, which would still remain open to the public. Miss Grayling and her chapter will be quartered here.

She will be entertained during the Carnival at a Queen's Ball the night of Aug. 1, and will again be a guest of honor at the proposed Yachtmen's Ball the night of Aug. 2.

With these new developments, the committee has the feeling that the Water Carnival is growing by leaps and bounds that in a few years Eastern Michigan's festival will assume nationwide proportions and become the greatest summer sports display in the Midwest.

### YOUNG MAN FOUND DEAD BE-SIDE ROAD

Jesse Mayer, age 21, of Merrill, was found dead Monday evening in a clump of bushes in the triangular park at the intersection of M-76 and M-55, about two miles south of St. Helen. The young man left home some five weeks ago after having a quarrel with his sweetheart. He first went to Chicago but later came to Bay City and there took a taxicab to West Branch. At the latter place he shipped his clothes back home, this being about May 28. He was seen walking out of West Branch that day and had not been heard of since.

For several days workmen on the trunk line roads near the intersection smelled a foul odor but paid little attention to it. Monday, Kenneth Kieley, a truck driver in road maintenance, had occasion to stop at the intersection and became curious of the odor and investigated the cause, only to find the badly decomposed body of the young man a short distance from the road, with a 22 calibre Savage rifle lying by his side. He notified the authorities and the remains were brought to Roscommon. Being to the contents of the body and long time that it is thought to have been exposed to the elements, it was rather hard to determine the actual cause of death but it is believed to be a case of suicide as his clothing bore blood stains on the right side. No marks of violence were in evidence. The remains were taken to his home at Merrill last evening for burial.—Roscommon Herald-News.

### BARNETT BROS. CIRCUS

Big 3 Ring Circus and Trained Animal Show

No doubt you are aware that a real honest-to-goodness Circus is the greatest entertainment of all amusement, and the only branch of the amusement world that does not need censoring. A visit to the Circus is a day of enjoyment for the old and young. It is a day that the kiddies always remember, and the older folks never forget. Barnett Bros. is twice its former size this season and is now offering an unusual programme of sensation and merit, with more real novelties than all the other shows combined. A grand spectacle, "NATIONALITY," precedes the regular performance this season; over one hundred men, women and animals take part. Miss B. Peasley is the prima donna and is assisted by a large group of pretty girls. Barnett Bros. have spared no money to make this the most gorgeous spectacle ever produced. This is presented with the regular circus performance without extra charges, and is the talk of every town visited. The street parade this season is over one mile in length, and will pass over the principal streets. Beautiful tableaux, Trucks, four Bands of Music, steam calliope, funny clowns, pretty girls, prancing steeds, performers and animals from the far corners of the earth. Believe no false reports, Barnett Bros. Circus will positively exhibit; there can be no change in route or change of date, and, above all, this show will not be split; it will all be exhibited at Grayling on Saturday, June 22.

## HELEN WOODBURN VALEDICTORIAN

Parents, Teachers, Friends and Schoolmates:

"Life is now our school." We are about to step out into the world of unceasing activities. We have spent twelve years here in school securing the foundation for that structure which we must all build—our life. This foundation will be very important for we all know that a building on a shaky foundation will soon totter and fall. If we have gained the most we possibly could, our training will be such as will enable us to build a useful, happy life upon the beginning we have made. Whether that foundation is strong or weak depends on what we, as individuals, gleaned from our school life.

To whom are we indebted for this foundation? And how are we to pay back the debt? In answer to the first question I would say—to our parents, our teachers, the school board, and those many friends who have helped us when we needed it. The debt is enormous and if we tried to think of it in terms of money, I am afraid we would despair of ever trying to pay it back. But, classmates, it seems to me that we can pay it back in our aims, our ideals, and in the success we make of our lives. If we can prove to them that we were deserving of the help and instruction they gave us, they will, in some measure, feel repaid for their efforts. Tonight I believe would be a good time for each of us to pledge that we WILL pay back the debts we have contracted.

We can also help to fulfill our obligations by helping others as they have helped us. For we should not live unto ourselves alone, but our lives should affect all those about us. Also, in passing on the help we have received, we will be making better citizens, and by doing this we will be making a greater America.

Now, while building our foundation, we have had the help and advice of older and more experienced minds than ours. They have guided us when we were about to take a wrong step, they have given us all the wisdom of their experience. Now as we add to this foundation the structure of our life, we must rely on our own judgment to carry us through the hard places, we must use our own judgment in deciding what steps to take. Upon us alone, now, rests the responsibility as to what type of structure we shall erect.

As we are about to step out into our new life, our thoughts turn to the associations we have formed, and the separations and farewells to come. A queer feeling comes over us as we think of leaving all the old familiar places, but we will carry with us many pleasant memories of Grayling High School.

To our parents we would like to say: We do appreciate the many sacrifices you have made for us, and it seems the share of our debt to you is a large one. But we will endeavor to live such lives that you will feel repaid. You have done your part and now the rest remains with us.

To our teachers, too, we owe a great deal, and we are beginning to realize what these different contacts and associations will mean to us in our future life. We believe that we will appreciate their guidance even more as the time goes by.

Classmates, we are going to miss our life together more than we think. Let us carry on the ideals and aims of our school into our future life and live such lives that our friends here will be proud to say that we graduated from Grayling High School in the class of 1930.

"And now our boat glides out between."

The rocks that guard the shore—

Bearing the class of 1930

To be a class no more.

But looking forward with a smile

Of courage strong and high,

To meet that glad Afterwhile—

No more to say—Goodbye.

### GROUP DEMANDS FOR STATE PARKS

Applications for group camping permits are now pouring into the offices of the superintendents of the nine state parks at which group camps are located, with indications that the buildings will be occupied every week of the summer months. Attendance at these group camps is increasing annually at a rapid rate and an extension of the system will soon be necessary, according to the Parks Division of the Department of Conservation.

The group camp system was inaugurated to provide a place for boys and girls to camp in the parks. Each camp building is 34 by 54 feet in size, with a large dining room and recreation room, two wash rooms and two kitchens.

Groups using the camps provide their own bedding and dishes. Applications for use of the camp must be made to the park superintendent and each group may use the camp for two weeks. No charge is made for the use of the camp.

The group camps are open to boy and girl groups ranging in age from eight to 18 and each group of 18 or less must have an adult leader. Groups must comply with the regular posted rules governing conduct in state parks.

The camps have been used generally by Boy Scouts, Camp Fire Girls, church clubs, etc.

Camps are located at the following parks: Bay City, Cedar Hills, Dodge Bros. No. 9 (Rockwood) Dodge Bros. No. 10 (Highland), Interlochen, Marquette, Orchard Beach, Van Buren and J. W. Wells (Menominee).

And but the Cedar Hills, Marquette and Orchard Beach camps are open all the year. Most of the camps remaining open during the entire year are in use practically all of the last winter.

### ELECTION OF I.O.O.F. OFFICERS

The following I.O.O.F. officers were elected last Tuesday night for the ensuing year: Noble Grand—Charles Robertson Vice Grand—Earl Annis First Delegate to Grand Lodge—Paul Jungman Second Delegate—Leo Jorgenson District Deputy Grand Master—Arel M. Peterson.

## SERVING MANY BUSINESSES

Experience of large fleet owners reveals the unusual reliability and economy of the new Ford

A SIGNIFICANT TRIBUTE to the value of the new Ford is found in its increasing use by Federal, state and city governments and by large industrial companies which keep careful day-by-day cost records. In most instances, the Ford has been chosen only after exhaustive tests of every factor that contributes to good performance—speed, power, safety, comfort, low cost of operation and up-keep, reliability and long life.

Prominent among the companies using the Ford are the Associated Companies of the Bell System, Armour and Company, The Borden Company, Continental Baking Corporation, Firestone Tire and Rubber Company, General Electric Company, Goodyear Tire and Rubber Company, Kellogg Company, Knickerbocker Ice Company, Morton Salt Company, Pillsbury Flour Mills Company, The Procter and Gamble Company, and Swift & Company.

Each of these companies uses a large number of Ford cars and trucks. The Associated Companies of the Bell System use more than eight thousand.

Modern business moves at a fast pace and it needs the Ford. Daily, in countless ways and places, it helps to speed the production and delivery of the world's goods and extend the useful service of men and companies.

Constant, steady operation over many thousands of miles emphasizes the advantages of the sound design of the Ford car, its high quality of materials, and

unusual accuracy in manufacturing. Beneath its graceful lines and beautiful colors there is a high degree of mechanical excellence.

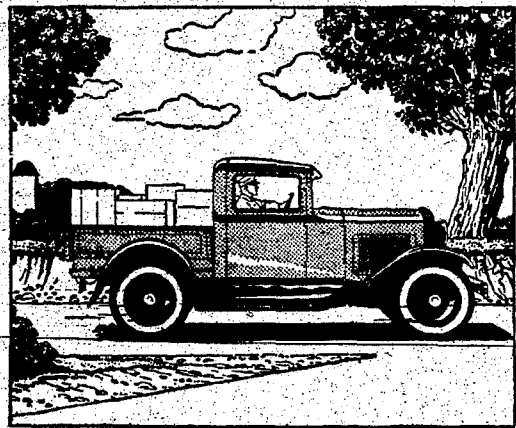

An example of the value built into the Ford is the use of more than twenty ball and roller bearings. They are hidden within the car and you may never see them. Yet they play an important part in satisfactory, economical performance. Their function is similar to the jewels of a fine watch.

Throughout the Ford chassis, a ball or roller bearing is used at every place where it is needed to reduce friction and wear and give smooth, reliable mechanical operation.

At many points, as on the transmission counter-shaft, clutch release, fan and pump shaft, and front drive shaft, these ball and roller bearings are used where less costly types of bearings might be considered adequate.

Additional instances of the high quality built into the Ford are the extensive use of steel forgings, fully enclosed four-wheel brakes, Rustless Steel, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, chrome silicon alloy valves, torque-tube drive, three-quarter floating rear axle, and the Triplex shatter-proof glass windshield.

The Ford policy has always been to use the best possible material for each part and then, through large production, give it to the public at low cost.
